Construction Isle of Man

Executive Board Member Expression of Interest Form

Business Isle of Man, an Agency of the Isle of Man Department for Enterprise, working with the Construction Federation, the Construction Forum, and the Chamber of Commerce, launched a new industry representative body, 'Construction Isle of Man' in 2020 following a successful Government funding application. The key aim of this new body is to build cohesion within the sector and formalise cooperation.

Construction Isle of Man is focused on growing and supporting the Islands construction industry primarily in terms of improving safety and quality standards, developing education and careers awareness, influencing environmental policy and driving technology usage in the sector.

Construction Isle of Man are seeking two more Executive Board Members, ideally from an SME and Renewable Energy/Clean Technology background. As an executive board member you will be expected to attend regular meetings, usually Monthly but at times fortnightly, where you can contribute your knowledge and experience of the construction sector to help support Construction Isle of Man's key mission and objectives. In addition, executive board members will be required to assist with the other activities of Construction Isle of Man. Please note that this position is voluntary. If you believe you have the desired qualities and are interested in being considered as an executive board member please complete this form to express your interest.

Once received all expressions of interest will be reviewed by the current Executive Board:

Brian Butler - Bell Burton Associates (Chair)

Gary Proctor - Excel Group Ltd (Vice-Chair)

Gary Crittenden - Stewart Clague Services Ltd (Treasurer)

Derek Clarkson - CCJ Group Ltd

Les Nicol - NK Construction Ltd

Stephen Smyth - Island Aggregates Ltd

Martin White - Dandara Ltd

John McCarrick - JMT Architecture Ltd

Gordon Leach - Burrough Stewart Associates

Kirree Goberman - DfE (non-voting)

Sam Warren – UCM (non-voting)

The opportunity to submit your interest in this executive board position will close on **Tuesday 4 May 2021**. Please return this completed form to Brian Butler, Chair, Construction Isle of Man
Email: b.butler@constructioniom.im

Should you require further information or wish to discuss Construction Isle of Man further, please contact Brian Butler on 624124 or any Executive Board member
